You said you could see no end

The world and himself were all on your back

I vowed to take your hand

Show the world in a different light

All that you' ve done

You' ve got to believe

In all of your dreams

(Chorus)

No matter what the world can throw at you

You know you can believe

Believe in me

And after all

I' ll still believe in you

And even if you cannot see

The brighter light ahead I' ll see

You must believe, believe in me

And after all I' ll still believe in you

I' ll pull away the clouds

That cover you up that leave you down

I won' t leave you all alone

I' ll be there for you in your darkest hour

And all that you' ve done

You' ve got to believe

In all of your dreams

(Chorus)

And when it's dark outside

I'll protect you from the night

My shoulder you can rely

I won't do you wrong

All that you' ve done

You' ve got to believe

In all of your dreams, all of your dreams

(Chorus)
