You get lost and lonely
Do you remember
Times we had
When we were
Young and crazy fools
Well we went mad on Sundays
We'd go dancing
Off our feet
Yeah we were
Breaking all the rules
I've always been
With you since 13

So come on up,
And come on in
You can wear
My clothes again
Come on up, and
Come on in
Pretend to we
Were way back when
I'm still in love
With you my friend
Still since then

You could be
In a convent
You could be
On a New York train

You could be
Gettin' drunk in Spain,
But you're not
I've had your heart
With me since 13

[Repeat chorus]

Okay you might
Have not said yes,
But you did
And I weigh the benefits

[Repeat chorus]

I'm still in love
With you my friend
Still since then
Still since then
A way back when
Still since then,
Since then,
Since then

Na na na na
I've always been
With you since 13
A way back when
Still since then
