I woke this morning, shoes untied
Shower's burst, radio lied
Car won't start, it's cold outside
Some days are like that

Got the bus that never came
Walked to work, lost my job
And you don't love me anymore
Some days are like that
Some days are like that

All the lights are stuck on red
Empty hearted, empty bed
Guy on the news said love is dead
Some days are like that

Walked the dog, he ran away
I've got nothing good to say
You don't love me anymore

These days are all we have
Don't waste them all on good gone bad
I lost her she had to go
Now I know, now I know

Some days are like that
(Some days are like that)
Some days are like that
(Some days are like that)

Some days are like that
(Some days are like that)
Some days are like that
(Some days are like that)

I woke this morning, shoes were tied
Shower worked, I found my pride
I think I take the park and ride
Some days are like that

I was blind, now I can see
The road that lies ahead of me

I guess you took the worst of me
Now I know, now I know

Some days are like that
(Some days are like that)
Some days are like that
(Some days are like that)

Some days are like that
(Some days are like that)
Some days are like that
(Some days are like that)

These days are all we have
Don't waste them all, the good gone bad
These days are all we have
Don't waste them all, the good gone bad

(Some days are like that)
(Some days are like that)
(Some days are like that)
(Some days are like that)
Yeah, yeah, yeah, ooh

Some days are like that
(Some days are like that)
