I've been headin' in the wrong direction
Hidin' from my own protection
Runnin' but my heart was standing still

I guess, you saw the light inside me
Your love has been a torch to guide me
I hope, I can be all that you deserve

Well, I'm no superman
But I'll love you that best I can
And you know, I'm just flesh and bones
But with you, I feel I'm flyin'
Don't you know, I'm no superman
But I'll always be your man

I was searchin' for a heart that's beatin'
As fast as the way I'm feelin'
Tryin' to find some peace there in my soul

You know it was your love that saved me
The answer to my prayers you gave me
And I hope, I'll be all that you deserve

Well, I'm no superman
But I'll love you that best I can
And you know, I'm just flesh and bones
But with you, I feel I'm flyin', flyin'
Don't you know, I'm no superman
But I'll always be your man

I'd fight for you
I'd die for you
You know I would, hey

Hold back the night
Light up the sky
Oh, if I could

I'm no superman
But I'll love you, the best I can
And you know, I'm just flesh and bones
But with you, I feel I'm flyin', flyin'

Don't you know, I'm no superman
But I'll always be your man

I'll always be your man
I'll always be your man
