My love, here I stand before you
I am yours now
From this moment on
Take my hand
Only you can stop me shaking
We'll share forever
This I promise you

And when I look in your eyes
All of my life is before me
And I'm not running anymore
Cause I already know I'm home
With every beat of my heart
I give you my love completely
My darling, this I promise you

My love, I can feel your heartbeat
As we dance now
Closer than before
Don't let go
Don't let go
Cause I can almost cry now
This is forever
I make this vow to you

And when I look in your eyes
All of my life is before me
And I'm not running anymore
Cause I already know I'm home
With every beat of my heart
I give you my love completely
My darling, this I promise you
My darling, this I promise you
This I promise you, oh I promise you, promise you
This I promise you
