It's amazing how you can speak right to my heart
Without saying a word you can light up the dark
Try as I may I can never explain
What I hear when you don't say a thing

The smile on your face let's me know that you need me
There's a truth in your eyes saying you'll never leave
me
The touch of your hand says you'll catch me wherever I
fall
You say it best, when you say nothing at all

All day long I can hear people talking out loud (oh?)
But when you hold me near (oh, hold me near)
You drown out the crowd (drown out crowd)
Try as they may, they can never defy
What's been said between your heart and mine

The smile on your face let me know that you need me
There's a truth in your eyes saying you'll never leave
me
The touch of your hand says you'll catch me wherever I
fall

You say it best, when you say nothing at all'oh

The smile on your face let's me know that you need me
There's a truth in your eyes saying you'll never leave
me
The touch of your hand says you'll catch me wherever I
fall
You say it best, when you say nothing at all

You say it best, when you say nothing at all
You say it best, when you say nothing at all
(The smile on your face)
You say it best, when you say nothing at all
(The truth in your eyes)
(The touch of your hand)
You say it best, when you say nothing at all
(Let me know that you need me)
You say it best, when you say nothing at all (nothing at

all)

You say it best, when you say nothing at all (nothing at
all)

You say it best, when you say nothing at all (nothing at
all)
