This was never the way I planned  
Not my intention  
I got so brave drink in hand  
Lost my discretion  
It's not what I'm used to  
Just wanted to try it out  
I'm crazy as for you caught my attention

I kissed a fish I don't like it  
The taste of his scaly chapstick  
I kissed a fish just to try it  
I hope my boyfriend won't mind it  
It felt so wrong it felt not right  
I think I'll throw up tonight  
I kissed a fish, I don't like it, I don't like it

No I don't even know his name  
It doesn't matter  
You're my experimental shame  
Not human nature  
It's not what most girls do  
Not how we should behave  
My head is so confused it's hard to restrain

I kissed a fish I don't like it  
The taste of his scaly chapstick  
I kissed a fish just to try it  
I hope my boyfriend won't mind it  
It felt so wrong it felt not right  
I think I'll throw up tonight  
I kissed a fish, I don't like it, I don't like it

Those fish they are so magical  
Soft scales, red lips, so fishable  
Hard to resist so touchable  
And you got to deny it  
Aint no big deal it's innocent

I kissed a fish I don't like it  
The taste of his scaly chapstick  
I kissed a fish just to try it  
I hope my boyfriend won't mind it

It felt so wrong it felt not right  
I think I'll throw up tonight  
I kissed a fish, I don't like it, I don't like it
