You shoved me back
It showed me how
They never thought
You'd stick around

Uh huh, that's rite

You twisted words
So I believed
In every lie
That you told me

Uh huh, that's rite

When someone said
Don't stick around
Cos he's all wrong
I'd stand up
And show them how
They're just so wrong
But they knew
Better
You never said forever
Never
And you knew

I think of when
I said your cool
Now I'm convinced
That you're a fool

Oh, no, no, no

I wish I could
Ditch you again
I never should
Have called you friend
I'd give anything

When someone said
Count your blessings now
Cos he's long gone

I guess I just
Never knew how
You were so wrong

They knew
Better
You never said forever
Never
And you knew

I kept it locked
In my head
Well never speak again
They told me
Until we speak again
I just forgot you
My friend
And what happened

When someone said
Count your blessings now
Cos he's long gone
I guess I just
Never knew how
You were so wrong

That last bitch
You'll cherish
Well never meet again
In darkness
Your farther
I wish I could not remember
But I'll kill
Your memory
Your busy making me see
Your gone now

Cos they knew
My darling
Yeah
They knew
