I go walking down a dead end street,
talking about things that don't mean a thing,
I got a girl and a lady
and I found her waiting at the bottom of this whiskey
bottle,
looking so damn fine,
like a catcher in the rye with no alibi.

You can take me so far down,
take me higher baby,
I go dancin', dancin', dancin'
With black maria

Woo ohh,
Dancing with black maria,
Woo ohh,
Dancing with black maria.

Baby I'm black, i'm blue,
But I ain't pulling no punches
cause I need you in my blood and soul.
Oh and everyone around the world
is gonna have a good time baby,
sweet baby,
Oh you're looking so good like rock n' roll

You can take me so far down,
take me higher baby,
I go dancin', dancin', dancin'
With black maria

Woo ohh,
Dancing with black maria,
Woo ohh,
Dancing with black maria.

You can take me so far down,
take me higher baby,
I go dancin', dancin', dancin'
With black maria

Every night, everyday,

I go dancin' dancin' dancin'
With black maria
