(feat. Ashley Monroe)

I could go out tonight and find some stranger
It wouldn't be wrong
No, it wouldn't be wrong
Cause it ain't no crime, no felony
There ain't no chains here holding me down
Holding me down
There ain't no place here on this earth I'd rather be
So why would I leave?

I could want somebody else
I could need somebody else
I could love somebody other than you, but I don't want
to

There is no good out there for me now
Theres nothing I can't do without
I can't live without
You make me feel like heavens pooring down on me
I know I'm free

I could want somebody else
I could need somebody else
I could love somebody other than you but I don't want
to
I could dream somebody else, be treated like a queen
by someone else
I could love somebody other than you but I don't want
to

I don't want you to leave

I could want somebody else (I could want somebody)
I could need somebody else (I could need somebody)
I could love somebody other than you but I don't want
to
I could dream somebody else, be treated like a queen
by somebody else
I could love somebody other than you but I don't want
to

I don't want to (I don't want to)
I don't want to...
I don't want to...
