I don't know i'm worth this, this life was just a gift
to me, and i don't know if i'll use it right or just
let all my gifts run free.

If i should damn my right to breathe.
Its air that rushes over me.

I'm in love with you,
so i keep breathing just so i can do,
everything you need me to,
i'm a slave for all of your antics,
i'm just a slave i'm such a romantic fool.

I've found, that i'm bound,
to forget, regret and screw up everything.
So i need something to show,
your the girl that makes my day,
when i wake every morning its always to show you
that i'm around.

I'm in love with you,
so i keep breathing,
just so i can do,
everything you need me to,

i'm a slave for all of your antics,
i'm just a slave i'm such a romantic fool.

If i should damn my right to breathe.
i'ts air that rushes over me

Can't you see,
that we all have a purpose,
we all have a purpose.
fool, cant you see in me,
that we all have a purpose,
we all have a purpose,
and i'm not giving up mine.

I'm in love with you,
so i keep breathing just so i can do,
everything you need you need me to,

i'm a slave for all of your antics,
I'm just a slave i'm such a romantic

i'm in love with you so i keep breahting just so i can
do everything you need me to, i'm a slave for all of
your antics, i'm just a slave i'm such a romantic fool.
