The love I have for you
Could run a train all the way
From Mexico to Maine
Forever more, it would run
Never stopping, no, not once

(CHORUS)

It will run (run) run (run)
Run forevermore
Run (run) run (run)
Run forevermore

The love I have for you
Could fly a plane all the way
From Argentina to Spain
Day and night, it would fly
For you and me eternally

(CHORUS)

My, my, my
How strong my love is
It could move a mountainside
Run a river dry, make a man fly

The love I have for you
Could move a car to any city
Either near or far
From Miami to Monterrey
With love for cargo all the way

(CHORUS)

My, my, my
How strong my love is
It could move a mountainside
Run a river dry, make a man fly

The love I have for you
Could move a car to any city
Either near or far
From Miami to Monterrey

With love for cargo all the way
