(CHORUS)

I saw you dancing out of my heart
Out of my life, into his arms
I saw you slipping out of
Your dreams forever more

The band was playing
Our favorite song
I thought you loved me
As we slowly danced along

But when he cut in
And you didn't refuse
You made our love song
Sound like the blues

(CHORUS)

I saw you dancing into his world
Out of my reach, further apart
I saw you dancing out of my heart
As you danced across the floor

Now that it's over, I still recall
The way it ended is what
Hurt me most of all

You left me stranded
As you waltzed out of sight
That memory haunts me
Night after night

(CHORUS)

I saw you dancing into his world
