"Happy Summer Days"

These are happy, happy, happy
Summer days, summer days

When the morning sun promises
Another wonderful day
And good fortune is all along the way

When your heart is filled with gladness
Cause true love has come to stay
These are happy, happy, happy
Summer days, summer days

Every kiss, will take us
To a new world to explore
Bringing thrills that we
Never knew before
When the one you love can show you
What's behind that magic door

These are happy, happy, happy
Summer days, summer days
These are happy, happy, happy
Summer days, summer days

Look around you, there's a rainbow
In that watermelon sky
And twinkling of a million fireflies
Let your heart keep taking pictures
That we'll share as years go by

These are happy, happy, happy
Summer days

Look around you, there's a rainbow
In that watermelon sky
And twinkling of a million fireflies
Let your heart keep taking pictures
That we'll share as years go by

These are happy, happy, happy
Summer days, summer days
These are happy, happy, happy

Summer days, summer days

These are happy, happy, happy
Summer days...
