Let's say we're sorry, before it's too late, give  
forgiveness a chance  
Turn the anger into water; let it slip through our hands  
We all bleed red, we all taste rain, all fall down, lose  
our way,  
We all say words we regret, we all cry tears, we all  
bleed red

If we're fighting, we're both losing; we're just wasting  
our time  
Because my scars, they are your scars and your world  
is mine  
You and I, we all bleed red, we all taste rain, all fall  
down, lose our way  
We all say words, we regret, we cry tears, we all bleed  
red  
Sometimes we're strong, sometimes we're weak,  
sometimes we're hurt and it cuts deep  
We live this life, breath to breath, we're all the same;  
we all bleed red

[Instrumental break]

Let's say we're sorry...  
Before it's too late...

We all bleed red, all taste rain, all fall down, lose our  
way,  
We all say words we regret, we all cry tears we all  
bleed red,  
Sometimes we're strong, sometimes we're weak;  
sometimes we're hurt  
It cuts deep; we live this life breath to breath; we're all  
the same  
We all bleed r-e-e-e-d-d-d
