Everybody talkin' 'bout dirt roads  
Everybody talkin' like Jethro  
Everybody talkin' 'bout the tall pines  
Everybody runnin' on moonshine  
Everybody's sayin' that "y'all" word  
Thinking we're all a little backward  
Everybody thinkin' they can put us in a box of grits

Well country this

Well I don't know what you call it but it sure (?)  
Got the jukebox thumpin', got the red lights pumpin'  
Got the cowgirls teasin' all the boys on the floor  
Got their heads all bobbin', everybody wanna move  
If you don't like it out here in the boondocks  
Give that snob a (?)

Country this

Everybody talkin' that slow talk  
Nothing but scarecrows and corn stocks  
Out here in the city limit backside  
Where the necks run a little on the red side  
Everybody talkin' 'bout rhinestones  
Everybody's soundin' like George Jones  
Everybody from the city tryin' to tell you what country is

Well country this

Well I don't know what you call it but it sure (?)  
Got the jukebox thumpin', got the red lights pumpin'  
Got the cowgirls teasin' all the boys on the floor  
Got their heads all bobbin', everybody wanna move  
If you don't like it out here in the boondocks  
Give that snob a (?)

(?)

Ain't nothing wrong with that  
Don't need a pickup truck  
If you wanna crank it up

Well I don't know what you call it but it sure (?)  
Got the jukebox thumpin', got the red lights pumpin'  
Got the cowgirls teasin' all the boys on the floor  
Got their heads all bobbin', everybody wanna move  
If you don't like it out here in the boondocks  
Give that snob a (?)
