Love takes the patience of Job
That's what my mama always said
Faith is a belief in somethin' more than what you know
That's what the Good Book says

Gotta play the cards you got, who knows what Fate is
holding
At times, you gotta go without knowing where you're
going

It's why I keep on lovin' you, keep on lovin' you
Through the "Baby, don't leave me"s and "never will
again"s
And "I promise to"s
Oh, I keep on lovin' you

Lord knows we've had our share of fights,
Of sleepless nights, of ups and downs
We've had plenty and then some
Of "Baby, I'm gone"s and turn arounds

Sometimes, I swear it might be easier to throw in the
towel
Someday, we're gonna look back and say, "Look at us
now"

That's why I keep on lovin' you, I keep on lovin' you
Through the "Baby, don't leave me"s and "never will
again"s
And "I promise, too"s
I keep on lovin' you, I keep on lovin' you
Through the "I take it back"s, "I didn't mean it like
that"s
"I'd never hurt you"s
Oh, I keep on lovin' you

Oh, I keep on lovin' you, I keep on lovin' you
Through the "Baby, don't leave me"s and "never will
again"s

And "I promise, too"s
Oh, I keep on lovin' you, keep on lovin' you
Through the "I take it back"s, "I didn't mean it like
that"s
"I'd never hurt you"s
Oh, I keep on lovin' you

Keep on lovin' you
Keep on lovin' you
