

## Dark Age "Return"

Faith falls with its sons  
Believers:  
Beware of an new probation  
The same source sets free the ones  
who find bliss in their malevolent determination  
Terror to achieve control  
What a sinful proof for an ill natured soul  
A culture has been forced to stagnate  
Empty hope has spread the seeds of hate

Is this the return?

Stay, stay away from me

Stay away  
I can't take this one more day  
I don't want to give this one more try  
A holy war needs a faithless lie

A return of an old damnation  
tries to rearrange the coming of time  
Close to a situation  
known to the world as the mediaeval crime  
This is a modern crusade  
caused by the decadence of a nation  
A conflict with a need to degrade  
the greatness of our fragile civilisation

This is the Return

This threat is deeper  
It is inside of us all
