Just Don't Want To Be Lonely
The Main Ingredient

I don't mind when you say that you're going away
I just don't wanna be lonely,
And I don't care if you share only moments a day,
I just don't wanna be lonely,

Chorus

I'd rather be loved and needed; depended on to give a
love I can't give
When you're gone, when you're gone, I just don't want
to be lonely. I'd
just rather be loved.

I don't mind when the time sets the sun to the moon,
I just don't wanna be lonely,
Let the stairs find you there, at the end of the room,
I just don't wanna be lonely,

Chorus
