Hey! Have you ever tried  
Really reaching out for the other side?  
I may be climbing on a rainbow  
But Baby, here goes...

Dreams are for those who sleep  
Life is for is for us to keep

And if you're wondering what this all is leading to...  
I'd like to make it with you

I really think that we can make it, girl  
(oh Baby, that's a no-no)

No, you don't know me well  
And every little thing only time will tell  
And you'll do the things that I'll do  
Then we'll see it through

Life can be short or long  
Love can be right or wrong

And if I had to choose just one to see me through...  
I'd like to make it with you, girl  
(Oh Baby, that's a no-no)  
I really think that we can make it, girl  
(oh Baby, that's a no-no)

Yes, yes, yes!!  
Dreams are for those who sleep  
Life is for is for us to keep

And if I had to choose just one to see me through...  
I'd like to make it with you, girl  
(Oh Baby, that's a no-no)  
I really think that we can make it, girl  
(oh Baby, that's a no-no)

I know, we can make it, girl  
(Oh Baby, that's a no-no)  
I know, I really think we'll make it, make it  
(Oh Baby, that's a no-no)

I know, I really think we'll make it, make it  
(And fade)
