Keep on doing, doing

Doing what you do

Keep on doing, doing

Doing what you do

You keep kissing me

And squeezing me, girl

All the time and I like it

Baby, yeah

But it's the way you do it

That keeps on driving me

Out my mind, yes, it is, girl

Cause you keep on kissing me

With your kiss, oh, Lord

And touching me with your touch

In all the right places

And I like it, baby, yeah, yeah

(And the more you do it)

And the more you do it

(The more I like it done to me)

The more I like it done to me

(I like it) I like it, baby

(I like it, I like it, baby)

(The more you do it)

See, the more you do it

(The more I like it done to me)

The more I like it done to me

I like it, baby (yeah)

I like it, baby (yeah) yeah

There's no better feeling, no

Then when your body's up next to mine

Moving, grooving, yeah (yeah, yeah)

And even when we're not together

I think about you all the time

(Yeah, yeah) yeah, yeah

You keep on (kissing me with your kiss)

Yeah, and touching me with your touch

Reach out and feel me with your hands

I like it, I like it so much

I tell you the more you do it, baby

The more I like it done to me

(I like it, I like it, baby)

To me, to me, yeah

(I like it, baby) I like it, baby

I like it, baby (I like it, baby)

Yes, I do, yeah (I like it, baby)

I like it, baby, yeah

I just wanna tell the world

How I feel about you...
