If you let me make love to you  
Then why can't I touch you?  
If you let me make love to you  
Then why can't I touch you?

I'm not saying I want to change you  
I don't want to rearrange you

If you let me make love to you  
Then why can't I touch you?  
If you let me make love to you  
Then why can't I touch you?

From the very first moment I saw you  
BRIt's been a different world  
BRFrom the very first moment I saw you  
BRIt's been such a different world  
BR  
BR I seem to be a little bit stronger  
BREach moment seems just a little bit  
BRLittle bit longer  
BRMissing links and little kinks  
BRHave never been found and uncurled  
BR  
BRBut you're still the same  
BRYou're like a frozen flame  
BRWell it sure seems ashame  
BRYou let me make love to you  
BRBut you won't let me touch you  
BR  
BRWhen I leave you I'm going someplace  
BRThat I've never been before  
BRWhen I leave you I'm going someplace  
BRThat I've never been before  
BRWhy don't you reach out and touch me

BRReach out and touch me  
BR  
BRIf you let me make love to you  
BRThen why can't I touch you?  
BRIf you let me make love to you  
BRThen why can't I touch you? BR
