It was starting to rain  
On the night that they first decided  
It was blinding with snow  
On the night that they ran away  
They were found in the dark  
But they never returned  
Just like somebody slammed the door

She was meant to be wild  
He was nearly a child  
But they only could feel each other  
They were paper and fire  
Angel and liar  
The devil of one another

Then they were thrown to the ground  
With a terrible sound  
Just like somebody broke a heart

Rock 'N' Roll Children  
Alone again  
Rock 'N' Roll Children  
Without a friend  
But they got Rock 'N' Roll

It was starting to rain  
On the night that they cried forever  
it was blinding with snow  
On the night that they screamed goodbye

They were lost in the dark  
And they never returned  
Just like somebody slammed the door

On Rock 'N' Roll Children  
Alone again  
Rock 'N' Roll Children  
Without a friend
