Shame on the night

For places I've been, and what I've seen
For giving me the strangest dreams
But you never let me know just what they mean
And oooohhh.... so Shame on the Night... Alright..

And shame on You

You've stolen the day, snatched away
But I saw the sky and I never wanna die
Now you know the reason why I say
Oooohhh... Shame on the Night

You don't care what you've done
So I think I better run
Shame on the sun

For the lights you've sold
I've lost my home
On the Magic Flame, but now I know your name
Oh Lord just go away and tell again
Ooooooohhh.... Oh! Shame on the night!

You dont care what you've done
So I know I better run.....(fades)

Shame on the Night

For places Ive been, and what I've seen
For giving me the strangest dreams
You never never never know just what they mean
And oooooohh... Shame on the night

You dont care what youve done
Here I go, Ive got to run.....

Shame on the night
Shame shame on you
Shame on my dreams
Shame on the sun and You

Shame on the night
Well I lost my home on the Magic Flame, but now I know
your name
Shame on the night
Shame on you..... Shame on ALL of you
Shame on the night
(evil laughing)

Now im just a worthless Diver...
