Oh come on  
Close the city and tell the people that something's  
coming to call  
Death and darkness are rushing forward to take a bite  
from the wall, oh

You've nothing to say  
They're breaking away  
If you listen to fools  
The mob rules  
The mob rules

Kill the spirit and you'll be blinded, the end is always  
the same  
Play with fire, you burn your fingers and lose your hold  
of the flame, oh

It's over, it's done  
The ending began  
If you listen to fools  
The mob rules

You've nothing to say  
Oh, they're breaking away  
If you listen to fools

Break the circle and stop the movement, the wheel is  
thrown to the ground  
Just remember it might start rolling and take you right  
back around

You're all fools, fools, fools, fools  
The mob rules
