Every time that I look into the mirror  
All these lines in my face getting clearer  
The past is gone  
It went by like dusk to dawn  
Isn't that the way  
Everybody's got their dues in life to pay  
Well, I know, nobody knows  
Where it comes and where it goes  
I know it's everybody's sin  
You got lose to know how to win  
Half my life's in books' written pages  
Lived and learned from fools and from sages  
You know it's true, oh  
All these things come back to you  
Sing with me, sing for the years  
Sing for the laughter, sing for the tears  
Sing with me, just for today  
Maybe tomorrow the good Lord will take it away  
Hey-hey-hey  
Sing with me, sing for the years  
Sing for the laughter, sing for the tears

Sing with me, just for today  
Maybe tomorrow the good Lord will take it away  
Dream on, dream on, dream on  
Dream yourself a dream come true  
Dream on, dream on, dream on  
Dream until your dream comes true  
Dream on, dream on, dream on, dream on  
Dream on, dream on, dream on, dream on, oh  
Sing with me, sing for the years  
Sing for the laughter, sing for the tears  
Sing with me, just for today  
Maybe tomorrow the good Lord will take it away  
Sing with me, sing for the years  
Sing for the laughter, sing for the tears  
Sing with me, just for today  
Maybe tomorrow will pull out and take it away, yeah
