Silence - we hunt for the queen  
Sign of the cross  
And pray in-between

Look by the light of the day  
She's hiding till dark  
Waiting to play hey-hey

Something's taken a child  
And it all must end  
Time to be killing the dragon again

Silence - we'll hunt for the lord  
He takes crimson and gold  
Gave ice to the cold

Oh to be never afraid  
Of wolves at the door  
Howling for more

More's been empty for years  
And it all must end  
Time to be killing the dragon again

Kneel and behold your new king  
Digital dreams  
And wonderful things to tease you

Small gods with electrical hearts  
And it all will end  
Time to be killing the dragon
