You know the feeling  
All alone you back to the wall  
And all the doorways  
Are starting to close in front of you

No confusion  
Oh no - it came in a spell  
Found it in a wishing well

It's a matter of mind  
You know you can be free forever  
So the next time someone  
Points a gun at you

Say Shoot Shoot  
I don't care  
Shoot Shoot

Hey someone  
If your chains are heavy for you  
Hey someone  
Let it rain  
While I show you the way  
This could be your lucky day

It's a matter of mind  
You know you can be free forever  
So the next time someone  
Points a gun at you say

Shoot Shoot  
I don't care  
Shoot Shoot  
Shoot Shoot  
Anywhere  
Shoot Shoot

It's a matter of mind  
You know you can be free forever  
So the next time someone  
Points a gun at you sa  
Shoot Shoot

I don't care  
Shoot Shoot  
Shoot Shoot  
Anywhere  
Shoot Shoot
