Oh come on
Close the city and tell the people that something's
coming to call
Death and darkness are rushing forward to take a bite
from the wall, oh

You've nothing to say
They're breaking away
If you listen to fools
The mob rules
The mob rules

Kill the spirit and you'll be blinded, the end is always
the same
Play with fire, you burn your fingers and lose your hold
of the flame, oh

It's over, it's done
The ending began
If you listen to fools
The mob rules

You've nothing to say
Oh, they're breaking away
If you listen to fools

Break the circle and stop the movement, the wheel is
thrown to the ground
Just remember it might start rolling and take you right
back around

You're all fools, fools, fools, fools
The mob rules
