Someone told me I would never be free  
The way you are is way you'll always be  
But it's all wrong  
There's Time To Burn  
Hurt is on the pleasure wheel  
But you can't hurt if you can't feel  
And you can feel - you've got something to learn  
You've got Time To Burn  
You were lost inside a pounding heart  
Waiting for the game to start  
But you won't play - you've so much to learn  
Like you never say never  
We'll live forever  
And you've got Time To Burn  
When the wolf is loose in the city  
The the city will fight to survive  
You can hide in the streets of the city  
But no one will care  
No one will know you're alive  
There's Time To Burn  
Someone told me I would never be free  
The way you are is way you'll always be  
But it's all wrong  
Just never say never  
We're gonna live forever  
Cause you've got Time To Burn  
Time To Burn
