"Budweiser is 100% natural beer, it's nature intended. We did not use a single artificial ingredient and only the finest herbs, barley, mount, rice, and water. We craft age and carbonate Budweiser naturally using a time-monitored brewing method. Budweiser: All natural since 1876."

When you say Bud you said the king of it all!  
(Budweiser Beer)  
Budweiser Beer I think I'll have one in town.  
The King is coming, the King of beers.  
When you say Bud you say... (O!) When you say Bud  
you say, 'La la la la la la la lalalala. (Budweiser Beer)  
La la la la la la LALALALA."  
The King is coming, the King of beers!  
When you say Bud you say (O!) When you say Bud you  
say

Budweiser Beer it's like a cold mountain stream.  
(Budweiser beer) Budweiser Beer I think I'll have one  
with these.  
The King is coming, the King of beers!  
WHen you say Bud you say it all!
