"Hostile Phantasm"

A sudden wave of chaos
Then momentary silence
Reflections of demons haunting my conscience
It's all a self inflicted illusion

Humiliation never forgotten
Put under strict control
Our lives running like, like sand through an hourglass
Society turned upside down, a world filled with
shattered dreams

Future seems to hold, a black hole containing
Hopelessness and disbelief
There is nothing real, outside my perception of reality
Invoking the unborn truth

Humiliation never forgotten
Put under strict control
The philosophy of putting perilous memories into
oblivion
The depths of my subconscious is playing with my
mind

Hate is the mirror of envy
Confidence breeds suspicion
Hate is the mirror of envy
Confidence breeds suspicion

A sudden wave of chaos
Then momentary silence
Reflections of demons haunting my conscience
It's all a self inflicted illusion

Hate is the mirror of envy
Confidence breeds suspicion
Hate is the mirror of envy
Confidence breeds suspicion

Humiliation never forgotten
Put under strict control
A complex transformation into a hostile phantasm
Infected by hallucinogen atmospheres controlling the

flesh

Hate is the mirror of envy
Confidence breeds suspicion
Hate is the mirror of envy
Confidence breeds suspicion
