Gotta get a little more liquor in me
Gonna get so drunk I can't hardly see
When the rooms spinning
Spinning around...

I'll Chug Another One Down

Gonna get loaded and fall on my face
I'm so drunk I'm kicked out of this place
When the rooms spinning
Spinning around...

I'll Chug Another One Down
I'll Chug Another One Down

Whiskey, Jack Daniels, Jim Bean & Coke
On my own vomit I hope I don't choke
They're pumping my stomach
The rooms spinning round

I'll Chug Another One Down
I'll Chug Another One Down
I'll Chug Another One Down

Whiskey, Jack Daniels, Jim Bean & Coke
On my own vomit I hope I don't choke
They're pumping my stomach
The rooms spinning round

I'll Chug Another One Down
I'll Chug Another One Down
I'll Chug Another One Down
I'll Chug Another One Down
