He's not afraid to get drunk fall down on his face
But he still knows that he's easily replaced
When he turns 40 in 6 more fucking years
He'll still be snortin coke and drinkin' beers

He's Mr. Naughty
Again This Year

He don't always remember exactly what he said
"He's drunk, He's drunk"
"He's high, He's High"
"He's wasted"
He's gonna get a bottle of Johnny Walkers Red
And chase it
Down with an 8 ball

He's Mr. Naughty
Again This Year

He'll still be snortin coke
He'll still be drinkin beer
Coke, Coke, Coke, Coke
Beer, Beer, Beer, Beer

He's Mr. Naughty
Again This Year
