Big fool, that's me
Big fool, that's me
Well, you told me that you loved me
Then you walked out on me
Big fool, that's me
Big fool, that's me
You're drivin' me crazy
Can't you see what you're doin' to me

Well, you gave me your lovin'
And you know it wasn't true
Can't you see what you're doin'
You got me walkin' and talkin' like a fool
Big fool, that's you
Big fool, that's you
I was a big fool
But now the big fool is you

Big fool, that's me
Big fool, that's me
You told me that you loved me
Then you walked out on me
Big fool, that's me
Big fool, that's me
Well, you're drivin' me crazy
Can't you see what you're doin' to me

Well, you gave me your lovin'
And you know it wasn't true
Can't you see what you're doin'
You got me walkin' and talkin' like a fool
Big fool, that's you
Big fool, that's you
I was a big fool
But now the big fool is you
Well, I was a big fool
But now the big fool is you
Yeah, I was a big fool
But now the big fool is you
Well, I was a big fool...
