Oop-scooby-dooby-lena, go-gal-go  
Bop-a-lena, bop-a-lena, she's my gal  
Oh, bop-a-lena, bop-a-lena, yeah she's my gal  
She's my gal and I love her so  
Oop-scooby-dooby-lena, go-gal-go

Well the school bells are ringin', everybody went out  
Goin' to the shag, gonna shake it all about  
Bop-a-lena lookin' like a rose in the wil  
Man I dig that freAk juvenile  
When she gets a-goin' she's a real cool chick  
She do the bop like a pogostick

Chorus  
Bop-a-lena, bop-a-lena, she's my gal  
Oh bop-a-lena, bop-a-lena, yeah she's my gal  
She's my gal and I love her so  
Oop-scooby-dooby-lena, go-gal-go

SOLO

I got my pattern-leather shoes on my hounddog feet  
Me and bop-a-lena gonna walk the beat  
To the whole jukebox in the be-bop shag  
When we get a-goin', gonna ball a jack  
Bop-a-lena got two feet that talk  
Look at her go on a camelwalk

Bop-a-lena, bop-a-lena, she's my gal  
Oh bop-a-lena, bop-a-lena, yeah she's my gal  
She's my gal and I love her so  
Oop-scooby-dooby-lena, go-gal-go

SOLO

Bop-a-lena, bop-a-lena, she's my gal  
Oh bop-a-lena, bop-a-lena, yeah she's my gal  
She's my gal and I love her so  
Oop-scooby-dooby-lena, go-gal-go
