I didn't mean you to stay forever
Here in my heart
I don't demand that you tear it to pieces
Right from the start

When I think of you babe
In my wildest dreams

I wanna remember the good times
I wanna remember the good times

I don't expect that you stay forever
But I do expect you to be here
When I call that soul

I don't remain that you faithful
But I do, I do expect you to be here
When I call that soul

When I think of you babe
In my wildest dreams, oh yeah

I wanna remember the good times
I wanna remember the good times

I don't expect that you stay forever, no
But I do, I do expect you to stay here

And help me thru the show

I don't demand that you remain faithful
But I do expect you to be here
When I call that soul

When I think of you babe
In my wildest dreams

I wanna remember the good times
I wanna remember the good times
I wanna remember the good times
I wanna remember the good times

I've expecting you
Come on!
Uuuh! I've been expecting you
Hey! Oh! Auuu!
I wanna remember
I wanna remember
Hey!
I wanna remember

I wanna remember the good times
I wanna remember the good times
I wanna remember the good times
I wanna remember the good times
