Here we go, baby!
The black is magic in the hood,
The unexpected change of life,
Sabotaging you got the ties,
The lazy days and crazy nights,
.....
It's hard to get the devil off your clothes.

Chorus:

Oh, I'm a lucky man!
Oh I'm a lucky man!
The fear is.....
..... like gun's heads,
Cause the need to reproduce,
A halo turns it into a news.
Sit by thethrough other dice,
If he only knew I'm alive!

Chorus:

Oh, I'm a lucky man!
Oh I'm a lucky man!
Do you feel me calling?
Can you hear me at all?
Can I tell you darling?

The things you get with just one look,
May be used at the....
Rock style is uncompered,
That's why I still dye my hair.

Chorus:

Oh, I'm a lucky man!
Oh I'm a lucky man!
I don't feel like crawling
Got to get up from the ground,
I was be looking for a savior,
But he was not to be found!
Do you feel me calling?
Can you feel it at all?
Did I tell you darling,
Please I mean it, stay with me!
I'll be your lucky man!
I'm a lucky man!
I'm a lucky man!
I'm a lucky man!

I'm a lucky man!
