Found her in a barn in Tennessee
I paid five bucks for my Bucket T
It took three years of sweat and blood
To clean off all of that Tennessee mud

My Bucket T (Bucket T)
Bucket T (Bucket T)
My Bucket T (Bucket T)
Bucket T (Bucket T)

Bucket T T, Bucket T Bucket T
Bucket bucket T T, bucket T bucket T,
Bucket bucket T T, bucket T bucket T,
Bucket bucket T T, bucket T bucket T,

Cruisin' down the street in front of school
I wanna rev it up but I gotta be cool
'Cause when I hit the road I'll get my kicks
A'poppin' the clutch and spinnin' the slicks

My Bucket T (Bucket T)
Bucket T (Bucket T)
My Bucket T (Bucket T)
Bucket T (Bucket T)

Bucket Bucket Bucket Bucket
Bucket Bucket Bucket Bucket
Bucket Bucket Bucket Bucket
Bucket Bucket Bucket...
Bucket bucket T T, bucket T bucket T,
Bucket bucket T T, bucket T bucket T,

Out at Drag City, she's first in her class
Nothing on the freeway she don't pass
All the girls want to take a ride with me
But there's only one seat in my Bucket T

My Bucket T (Bucket T)
My Bucket T (Bucket T)
Bucket T (Bucket T)
My Bucket T (Bucket T)

Bucket T T, Bucket T Bucket T
Bucket bucket T T, bucket T bucket T,
Bucket bucket T T, bucket T bucket T,
Bucket bucket T T, bucket bucket [into echo]
Bucket T-eeeeee
Bucket T-eeeeee
Bucket T-eeeeee-ahhhh
