"Ride Me"

Seemed like a girl that I could bring home to mother
But in the end she was quite another

She's hot and ready
I wanna feel the wind in my hair
She's on top and she's riding
Riding me like she just didn't care

Ride me into submission
Ride me show me no mercy
Ride me turn the ignition
Ride me into the ground

She tears me up until my legs are achin

We'll ride all night until the earth is shakin

She's hot and ready
I wanna feel the wind in my hair
She's on top and she's riding
Riding me like she just didn't care

Ride me into submission
Ride me show me no mercy
Ride me turn the ignition
Ride me into the ground
