Hora saigo no kanashimi ga ima  
Hono'o ni tsutsumare oto tate kuzurete yuku

Moji densetsu hito no rekishi ga  
Nukarumu daichi ni koborete ushinawarete yuku

Horobiru koto wa umare kawaru koto  
Ai suru koto wa omoi o tatsu koto...

Aruka nakika  
Missing phoenix...forever

Hora te no hira toki no kaseki ga  
Sarasara fukarete kouya no suna ni majiru

Shiro bunmei katachi aru mono  
Mabataki hitotsu de tachimachi kemuri aheniro

Tamuke no hana wa mirai no yurikago  
Ashita o utsusu kodai no kagami yo...

Aruka nakika  
Nightless quarter...forever

Horobiru koto wa umare kawaru koto  
Ai suru koto wa omoi o tatsu koto...

Aruka nakika  
Missing phoenix...forever  
Missing phoenix izuko
