You... try to killing me  
Is always coming to my fantasy  
My vision always see you... it's so sucks

And you always in my mind  
Because you such a beautiful kind  
It's really hard to find

No...

I asking you... would remember me  
When we both lost of our virginity  
In the room 343

Oh... can you feel me?

You killing me  
You try fuckin killing me

Feel so depress  
But my vision inside is killing me  
Feel so depress feel so depress feel so depress...

I feel so sick I feel so weak  
But you keep coming over me  
I feel so sick I feel so weak I feel so sick...

Am I so sick?  
Am I so freak?  
Am I so weak?  
If I blessing you  
Am I so freak?  
Feel so depress...

Yeah...  
My vision is killing me  
My fantasy is keep coming over me...

Feel so depress  
But my vision inside is killing me  
Feel so depress... feel so depress... feel so depress

I feel so sick I feel so weak  
But you keep coming over me  
I feel so sick... I feel so weak... I feel so sick

Feel so sick  
Feel so weak but you keep coming over me...  
I feel so sick
