I was walking
In the rain
I'm feelin' bad
But I can't explain
Give me some rhythm
One which is right
A drumming action
And a guitar fight
Let me rock
Let me roll
I wanna feel it with my body and soul

The band plays on
Frank plays the guitar And Chris the saxophone
Got the world in my hands
People come to see
Me and the band
The band plays on for ever

We have played
The whole night long
We've tried it hard
Cause Jack wrote a new song
I don't know
What it was about
I only know that it was crazy and loud
I said three
I screamed four
We start to play
A great song was born

Repeat Refrain

Solo

One time
We'll be on top
On the stage with a red-light spot
I know
One time
We'll be on top ain't never gonna stop

It's me and the band
We're gonna rockin' all over the land

Repeat Refrain
