I can't write about love no more
I should be feeling sad
Now I know it wasn't you
Who drove me mad
It was that chemical stuff in my head

Oh lalalalalalalalala
Phenylethylamine
Can't get enough
Oh oh lalalalalala l'amour
Noradrenaline
Je comprends

Lalalalalala Liebe
Endorfine

Ich kann nicht genug bekommen

When they've just arrived
I know exactly when
Oh I'm feeling so alive
But I know when they're gone again
I have to find me another man

Lalalalalalala
Phenylethylamine
Can't get enough

Oh oh
Hmmm!
Lalalalalalala

Lalalalalalalalala
Phenylethylamine
Can't get enough
No lalalalalalalalalalalalala
Lalalalalala love love love love love

Lalalalala

Oh can't get enough
Ik kan er niet genoeg van krijgen

La lalalalalalalalalalala

Oh lalalalalalalala love love
