Somedays are very lovely
People talking happily
Nice words surround me
The air is clean and the trees are waving at me
The appreciate my thoughts

Sunshine, soft and easy
All the colors slide through my window
And brighten my walls
Oh, I feel alive

Somedays give me the feeling
Jumpin' dancin' laugh and singing
Somedays give me the feeling
Jumpin' dancin' laugh and singing!

Wednesday was indescribable
I was shaking some many famous hands
While smiling faces make all kinds of compliments
(Uhhh... thank you!)

That night was pretty groovy
All the wine and the shoes
Made my love life
And make me forget my 9to5

Oh...
Somedays give me the feeling
Jumpin' dancin' laugh and singing
Somedays give me the feeling
Jumpin' dancin' laugh and singing!
Somedays... some some somedays...

Somedays drain my energy
Oh no there is no remedy
I just have to find the right melody
So maybe you could sing with me...

Ahh...
Somedays give me the feeling
Jumpin' dancin' laugh and singing
Somedays give me the feeling

Jumpin' dancin' laugh and singing
Somedays give me the feeling
Jumpin' dancin' laugh and singing!

Somedays.
