Stayin' home alone on a Friday
Flat on the floor lookin' back
On old love or lack thereof

After all the crushes are faded
And all my wishful thinkin' was wrong
I'm jaded, I hate it

I'm tired of bein' alone
So hurry up and get here
I'm so tired of bein' alone
So hurry up and get here, get here

I'm searching all my days just to find you
I'm not sure who I'm lookin' for
I'll know it, when I see you

Until then, I'll hide in my bedroom
Just stayin' up all night, just to write
A love song for no one

I'm tired of bein' alone
So hurry up and get here
I'm so tired of bein' alone
So hurry up and get here

I could have met you in a sandbox
I could have passed you on the sidewalk
Could I have missed my chance
And watch you walk away? Oh, no way

I could have met you in a sandbox
I could have passed you on the sidewalk
Could I have missed my chance
And watch you walk away?

I'm tired of bein' alone
So hurry up and get here
I'm so tired of bein' alone
So hurry up and get here, oh, yeah

I'm tired of bein' alone

So hurry up and get here
I'm so tired of bein' alone
So hurry up and get here

You'll be so good
You'll be so good for me
