We got the afternoon you got this room for two
One thing I've left to do, discover me, discovering you
One mile to every inch of your skin like porcelain
One pair of candy lips and your bubblegum tongue

'Cause if you want love, we'll make it
Swimming a deep sea of blankets
Now take all your big plans and break 'em
This is bound to be a while

Your body is a wonderland
Your body is a wonder, I'll use my hands
Your body is a wonderland

Something 'bout the way the hair falls in your face
I love the shape you take when crawling towards the
pillowcase
You tell me where to go and though I might leave to
find it
I'll never let your head hit the bed without my hand
behind it

You want love? We'll make it
Swimming a deep sea of blankets
Now take all your big plans and break 'em
This is bound to be a while

Your body is a wonderland
Your body is a wonder, I'll use my hands
Your body is a wonderland

Damn baby, you frustrate me
I know you're mine, all mine, all mine
But you look so good it hurts sometimes

Your body is a wonderland
Your body is a wonder, I'll use my hands
Your body is a wonderland
Your body is a wonderland
