Sounds Like - I'm watching those reflections falling  
Downtime - A clear picture of this situation  
Goals Fade - There's a room where lights won't find  
you  
No Way - It's the ending music for you

Lights Out - Every sound now turns to silence  
No way - It's the ending music for you

It's a lying down to stand  
And it won't be long now  
Against my will  
I feel you

Sounds Like - I'm counting my convictions falling  
Downtime - Every failure's just as sweet as the last  
Goals Fade- When you shoot the dice I must be off  
No Way - It's the ending music for you  
The ending music for you
