Before they lay their hands on you
And make you just like the rest

It's time to make amends for all
The fun
All the damage done

I need to be cleansed
It's time to make amends

I watched you change into a fly
I never really mean it
And I watched a change in you
It's like you never had wings
Now this is a lie

I watched you change into a fly
The room is small, the room is bright
Tonight I'll dream of hours so long
Without (even) trying
Im' flying, I scream
Now you feel alive

"Is this how it happens?
Is this how it feels?"
"Is this how a star falls?
Is this how it feels?"
"Is this how a star falls?
Is this how it happens?"
"Is this how it feels?"

And I don't want to be
A hero of the time
No matter where you take me
Take me away

Away
I can feel so clearly
That the time has come
