It's time to hear inside you  
It feels like a prayer  
Everything's clear  
Everything, everything...

Across the sky  
I'll leave you  
Miles far away  
Everything's seen  
Everything everything is revealed

I should've known how you'd feel  
Now I know I fear it's time  
To change direction  
I should've known how you'd feel  
Now I know I fear that's not  
The right direction

It's time to feel inside you  
It seems like a prayer  
Everything's clear  
Everything, everything...

Across the sky  
I'll leave you  
Miles far away  
Everything' seen  
Everything everything

Penitence  
You've come to take me home  
One last farewell
